

ASUN

Academic Advising

Starting college is an exciting time . . . but it can also feel a bit **overwhelming**. What career am I interested in? What classes should I take? Where do I go for help? How do I find my classrooms? Where can I get my books? Who do I contact about paying my bill? Where do I go for my online classes?
Academic Advising is here to help!

870-680-8901
870-680-8728

Jonesboro: Building A Room A122
Newport: The Hanger
Marked Tree: Building A

advising@asun.edu

We can help you with:

- Selecting the right courses
- Building a schedule that works for you
- Answering questions about your degree / program
- Putting you in contact with resources
- Connecting you with other ASUN offices/departments
- Exploring careers
- Transferring to a four-year university

Come see us in Advising!

Mission of Academic Advising at ASUN

Academic advising at ASU-Newport seeks to build relationships that support and empower students to reach their academic and professional goals.
